Honoring Tim Graham

"..how much can be done by a good and decent man."

Tim Graham (1954-2020) served St. Andrew's-Sewanee School as Director of Development from 1995 to 2017. During his tenure, he helped the school to raise more than \$37 million, affecting the experience of every student and ensuring the construction or renovation of every building on campus. In retirement, Tim devoted his time to his many community volunteer roles and remained devoted to SAS and his many SAS friendships. As one alumnus wrote, "Tim's life is a reminder of how much can be done by a good and decent man." This trail system honors Tim's avid interest in the outdoors and his deep commitment to St. Andrew's-Sewanee School.

Explore SAS

SAS is a boarding and day school welcoming students in grades 6-12. With a focus on academics, arts, and outdoors, the school's 550-acre campus lab offers scientific exploration, artistic inspiration, and abundant recreation. The school's Cumberland Scholars program is an opportunity for students to pursue a set of place-based/outdoor requirements to graduate with distinction through academic study, experiential learning, and demonstrated technical skills, service, and leadership.
